Conference Committee Membership

Applicants for committee membership should have at least Ph.D. degree. In order to apply for committee membership, you are supposed to fill in the Programme Committee and Editorial Review Boards Membership form.

Upon approval of membership, committee members are provided with a personal membership approval letter. In case a committee member wants to attend a conference, s/he is required to register the conference. Committee members are charged over standard fees.
Please click here to access the Program Committee and Editorial Review Committee Membership form.
